I. INTRODUCTION

Thank you for choosing Washington Federal for treasury management services. We appreciate the opportunity to serve your business needs through an array of treasury services described in these Treasury Management Terms and Conditions ("Agreement"). We offer many of our treasury management services through Treasury Prime, our commercial online and mobile banking portal. Treasury Prime enables you to efficiently manage your cash and banking activities through a single access point. We also offer certain online and mobile banking services to our small business customers through Treasury Express, our small business online and mobile banking portal.

This Agreement sets out the terms and conditions for your use of Washington Federal's treasury management services described in this Agreement ("Treasury Services"). Please read this Agreement carefully. Your use of the Treasury Services is subject to the General Terms section of this Agreement, and the sections of this Agreement that contain the specific terms and conditions that relate to the Treasury Services we provide you. If you would like an additional Treasury Service, it will be covered by the terms and conditions of this Agreement once we have approved your use of the Treasury Service. Your use of Treasury Services through Treasury Prime and Treasury Express is also subject to any instructions provided on our Website when using Treasury Prime or Treasury Express. Whenever you use any of the Treasury Services, you agree to be bound by this Agreement, as amended from time to time, and to follow any instructions or procedures we provide you.

In this Agreement, the words "we", "us", "our", and "Bank" means Washington Federal, N.A. and the words "you" and "your" mean each Owner of an Eligible Account. Your use of the Treasury Services is also governed by our Business Deposit Agreement and Disclosures, Schedule of Business Fees and Service Charges, Schedule of Analyzed Fees and Service Charges, our website Terms of Use, and any related Loan Account agreement (collectively, the "Account Agreements").

II. ONLINE AND MOBILE BANKING

II.A. Enrolling in Treasury Prime and Treasury Express Online and Mobile Banking

When you enroll in Treasury Prime or Treasury Express, we will provide a company identification number, unique user identification and online password to the Online Administrator. We reserve the right to change any aspect of the user identification and password system (i.e., the security system) associated with Treasury Prime and Treasury Express at any time without prior notice.

II.B. Security and User Responsibility for Online and Mobile Banking

Passwords

User Passwords can be changed within Treasury Prime and Treasury Express. User Passwords must meet the standards we establish from time to time. These standards will be available for your reference whenever you create or change a User Password. We may require you to change or update a User Password at any time. For security, Treasury Prime and Treasury Express will not allow access if anyone attempts to use a wrong password 3 times or more consecutively. We use additional log-in security that incorporates multiple factors to authenticate you as a customer.

User Responsibility for Treasury Prime and Treasury Express

You should never provide your User Passwords or related user identification information to a third party. If you do so, you are authorizing that party to conduct transactions on your Eligible Accounts. Therefore, you are

responsible for any transactions, including transfers from or between your Eligible Accounts, resulting from your furnishing your User Passwords or related user identification information to a third party. We will not be liable and will not reimburse you for any losses that may occur as a result of this authorized use of your User Password and related user identification information.

We will have no liability to you for any unauthorized payment or transfer made using your User Passwords that occurs before you have notified us of possible unauthorized use and we have had a reasonable opportunity to act on that notice. We may suspend or cancel your access even without receiving such notice from you if we suspect your User Passwords are being used in an unauthorized or fraudulent manner. You recognize that anyone possessing the User Passwords can access your Eligible Accounts and initiate transactions on those Accounts. You agree that you are responsible for maintaining the confidentiality and security of all User Passwords and related user identification information, and for implementing the necessary internal controls, balancing and reconciliation functions, and audit procedures to protect your Treasury Prime services and all your Eligible Accounts from theft or misuse.

Security Procedures

You agree that we may place session cookies and other identifiers on the computers and other devices you use to access Commercial Banking Online. Session cookies help us confirm your identity and help us keep your transactions secure when you do online banking. We also use cookies for various purposes such as maintaining continuity during an online session, and optimizing the performance of our Website.

You agree that the use of the User Passwords and other security techniques that we have established for Treasury Prime constitutes a commercially reasonable security procedure for you. You agree to be bound by all payment requests, communications, or other instructions to us that are initiated through Treasury Prime and Treasury Express and in compliance with this security procedure (including any payment order and any cancellation or amendment of a payment order), regardless of whether or not you actually authorized the instruction. The use of User Passwords and other security measures have been established by us to verify your authorization of the use of Treasury Prime and Treasury Express and are not designed for the detection of errors. If any instruction initiated through Treasury Prime or Treasury Express and accepted by us in compliance with this security procedure contains any error, to the full extent allowed by law you shall be liable for, and shall indemnify us against any claims, losses and expenses we may incur that arise from or relate to the erroneous instructions. Our records demonstrating compliance with this security procedure will be deemed conclusive proof that any payment request received by us was authorized and that you are bound by those instructions.

You acknowledge and agree that in the event you request us to accept any request for Treasury Services using any security procedures other than the security procedures set forth in this Agreement (which we may accept or refuse at our discretion), then you will be deemed to have chosen other security procedures after we offered and you refused security procedures that were commercially reasonable for you, and you expressly agree to be bound by any request, whether or not authorized, issued in your name in accordance with such other security procedures.

Notification to Bank

You agree to immediately notify us of the following:

- You believe that any User Password or other user identification information may have been lost or stolen, or subject to unauthorized use; a device you use to access Treasury Prime or Treasury Express has been lost, stolen or compromised; or someone has viewed, downloaded, or deleted electronic records from your account, Treasury Prime, or Treasury Express service without your permission.
- You suspect any fraudulent activity on your accounts.

- An individual with knowledge of the security procedures, User Passwords, codes, security devices, and/or related instructions is reassigned or leaves your employ, or is no longer authorized to act in regard to your Treasury Prime or Treasury Express services.

You will notify us by:

- calling 1- 877-423-9742;
- sending a secure message through Treasury Prime;

You are responsible for the installation, maintenance and operation of your Computer and all related costs. You are responsible for installing and maintaining appropriate virus protection on your Computer. We are not responsible for any errors or failures caused by any malfunction of your Computer, or your use of Treasury Prime or Treasury Express. We are not responsible for any viruses, spyware, malware, worms or related problems that may be associated with your Computer. We are also not responsible for any losses or delays in transmission of information that you provide to us or otherwise arising out of or incurred in connection with the use of any internet or other service provider providing your connection to the internet or any browser software. You are also responsible for all telephone, mobile remote access and other similar charges incurred in connecting to Treasury Prime or Treasury Express and for charges by any internet service providing connection to the internet.

II.D. Conditions and Limitations of Treasury Prime and Treasury Express Services

Savings and Money Market Accounts. Your ability to transfer funds between and/or make payments from certain Deposit Accounts is limited by law. For any Statement Savings Account(s) (including Money Market Accounts), you may make as many in-person withdrawals at a teller window or any ATM as you wish. However, federal regulations permit the depositor to make no more than a combined total of 6 pre-authorized, automatic, electronic (including computer initiated), telephone withdrawals or transfers, or by check, draft, debit card, or similar order payable to third parties in any monthly period. We may impose a fee, as disclosed in the Fee Schedules, for each such withdrawal in excess of 6 that you make in any monthly period. These fees will be reflected in your monthly statement. In addition, repeated violations will result in the Deposit Account being closed or changed from a savings type account to a transaction account.

Internal Transfers. Funds can be transferred the same day or on a future date between your Eligible Accounts. Future-dated and recurring transfers are processed each calendar day at 7 AM Pacific Time. Same day transfers between Eligible Accounts are processed when received. If the transfer request is submitted prior to 10 PM Pacific Time it will be dated the same day as the request. Transfer requests submitted after 10 PM Pacific Time will be dated the next Transaction Processing Day.

Additional Accounts. To request additional Eligible Accounts in Treasury Prime, or Treasury Express you must establish valid ownership and access of the account, and request the addition of that account to your online profile through the Commercial Account Service Center at 877-423-9742 or 206-626-8108.

Secure Messaging

Normal internet e-mail transmissions may not be secure. Treasury Prime and Treasury Express provide secure messaging ("Secure Messaging Inbox") for you to ask questions about your Eligible Accounts or give comments on Treasury Prime and Treasury Express. Secure Messaging provides the ability to securely communicate sensitive or confidential information. Secure Messaging is accessible after you sign on with your password to a secure session of Treasury Prime or Treasury Express. To ensure the security of your account information, we recommend that you use only Secure Messaging when asking specific questions about your accounts or when sharing sensitive or confidential account information about your Washington Federal accounts. You cannot use email to initiate transactions on your accounts. For transactions, please use the appropriate functions within Treasury Prime or Treasury Express, call the Washington Federal Commercial Account Service Center at 1-877-423-9742 or 206-626-8108, or visit your local branch.

II.E. Electronic Statements (eStatements) and Notices

If you enroll to receive account statements or disclosures, documentation, and other communications ("Notices") concerning your Eligible Accounts electronically, statements or Notices, as applicable, for your Eligible Accounts will be available only through the Treasury Prime or Treasury Express services. Your consent to receive statements electronically (eStatements) covers the account statements for your Eligible Accounts. Your consent to receive Notices electronically covers any disclosures, agreements, documentation, and other communications from us for the Eligible Accounts. If you enroll in eStatements, we may discontinue mailing such account statements and may discontinue mailing Notices to your address of record. You agree to be bound by any and all laws, rules, regulations and official issuances applicable to eStatements now existing or which may hereafter be enacted, issued or enforced.

We will send you a notification by e-mail when your eStatement or a Notice is available for review with instructions on how to access the document. This is the only notification you will receive of the availability of your eStatement or Notice. We will archive eStatements and Notices for your Eligible Accounts for a rolling 18 months, regardless of when you enroll.

Your receipt of eStatements or Notices does not in any way alter your obligation to promptly review your transaction history. You must promptly review your e-Statement or Notices and any accompanying items and notify us immediately of any error, unauthorized transaction, or any other irregularity. The Business Account Agreement details all timelines for reporting errors on your account statement.

At any time, you may request a paper copy of your account statement. Paper copies may be acquired by contacting us: by phone at 1-877-423-9742 or 206-626-8108, by email to casc@wafd.com, by US mail at Washington Federal, Attn: Commercial Account Service Center, 1001 W Idaho Street, Boise, ID 83702, through Treasury Prime or Treasury Express Secure Messenger, or by visiting your local branch. If any change is made by you in the scheduled Effective Entry Date of one or more Debit Entries, you shall, at least 7 calendar days before the Effective Entry Date of the first such Debit Entry to be affected by such change, send the Designated Account Holder a written notice of the new Effective Entry Date(s) of such Entry or Entries.

Under NACHA Rules, entries for international transactions and those above \$25,000 are not eligible for same day processing.

Transmittal of Other Entries

We will transmit Entries to the ACH Operator by the deadline of the ACH Operator either one or two Business Days prior to the Effective Entry Date shown in the Entries, provided that (i) we receive the Entries on a Business Day no later than 5 PM Pacific Time one Business Day prior to the Effective Entry date; (ii) the Effective Entry Date is at least one Business Day after the Business Day we receive the Entry, and (iii) the ACH Operator is open for business on the Business Day we receive the Entry. Entries will be deemed received by us when the electronic transmission (and compliance with any related Security Procedure) is completed as provided in the Delivery Requirements.

If any of the requirements of clauses (i) or (ii) of the preceding paragraph are not met, we will use reasonable efforts to transmit Entries to the ACH Operator by the next deposit deadline of the ACH Operator that is a Business Day.

If the Effective Date of an Entry is a federal holiday, we will transmit the Entry on the Business Day prior to the federal holiday. You are responsible for the timing of Entries to correspond to the Settlement Date of such Entries.

On-Ups Entries

Except as provided in the Section entitled "Rejection of Entries," in the case of an On-Ups Entry, we will credit/debit the Designated Account Holder's account in the amount of such Entry on the Effective Entry Date contained in such Entry, provided the requirements set forth in the sections entitled "Transmittal of Same Day Entries" or "Transmittal of Other Entries," as applicable, are met. If these requirements are not met, we will use reasonable efforts to credit/debit the Designated Account Holder's account in the amount of the Entry on the next Business Day following the original Effective Entry Date.

Rejection of Entries

We may reject any Entry for any reason. We will in good faith attempt to notify you of such rejection (either electronically, in writing, by telephone, or as otherwise agreed to by us and you) no later than the Effective Entry Date of the rejected Entry. We will not be liable to you for the rejection of any Entry, for your non-receipt of a notice given to you, or for the failure to give notice of rejection at an earlier time than that provided for herein. We will not be required to pay you interest on a rejected Entry for the period from rejection of the Entry to your receipt of the notice of rejection.

Notice of Returned Entries

We will notify you either electronically, in writing, by telephone, or as otherwise agreed to by us and you of the receipt of an Entry returned by the ACH Operator no later than one Business Day after our receipt of the returned Entry. We have no obligation to re-execute a returned Entry.

Provisional Payment

You represent to us and agree to be bound by the provision of the NACHA Rules making payment of an Entry by the RDFI to the Designated Account Holder provisional until receipt by the RDFI of final settlement for such Entry, and specifically acknowledge receipt of notice of that NACHA Rule and of the fact that, if such settlement is not received, the RDFI shall be entitled to a refund from the Designated Account Holder of the amount credited and you shall not be deemed to have paid the Designated Account Holder the amount of the Entry.

Available Funds and Settlement

You shall at all times maintain sufficient Available Funds in your Eligible Deposit Accounts to pay the amount of all Credit Entries, returned or reversed Debit Entries, Adjustment Entries, fees and other amounts which you are obligated to pay us under this Agreement.

We in our sole discretion may require you to have sufficient Available Funds in your Eligible Deposit Accounts to cover the amount of a Credit Entry prior to our transmittal of such Entry to the ACH Operator or our crediting of a Designated Account Holder's Account in the amount of an On-Ups Entry. In the absence of such a requirement, you will be obligated to have sufficient available funds in your Eligible Deposit Accounts at such time on the Settlement Date with respect to such Entry or, in the case of an On-Ups Entry, the date of crediting the Designated Account Holder's Account, as we, in our discretion, may determine.

Provisional Credit for Debit Entries

We in our sole discretion may defer any credit to your Eligible Deposit Account with respect to a Debit Entry until we have received final settlement for the Entry. Any credit provided prior to that time will be provisional and we have the right to immediate payment by you upon our receipt of notice that final settlement has not occurred. In

addition, we have the right to payment by you of the amount of any returned or rejected Entry for which you have previously received credit upon its receipt by us.

Security Procedures; Unauthorized and Authorized Entries; Inconsistent Entries

Purpose of Security Procedures. You agree that the purpose of the security procedures set out in this Section is to verify the authenticity of Entries transmitted to us in your name and not to detect an error in the transmission or content of any Entry, and that no security procedure for the detection of such errors has been agreed upon by you and us.

Single Approval and Dual Approval. We may require Single Approval (two separate individuals) or Dual Approval (three separate individuals) on all Entries initiated through the eACH Service. In effect, you will be required to have one individual initiate and at least one individual approve any file submission to us. You may establish a dollar limit threshold that will allow submission of files with no approval or Single Approval if the threshold is not exceeded. This limit is established at the User level and can vary within the Owner to not exceed the Bank-determined limit.

Exceeding Exposure Limits. The eACH Service will reject any file that exceeds the exposure limits designated by us ("Exposure Limits"). Requests to exceed the Exposure Limits must be approved prior to any transmission of files that would exceed the designated Exposure Limit.

Authorized Entries. If we receive an Entry received transmitted or authorized by you, it will be effective as your Entry as provided herein, whether or not we complied with the security procedures with respect to that Entry and whether or not that Entry was erroneous in any respect or that error would have been detected if we had complied with such procedure.

Unauthorized Entries. If an Entry delivered to us was not in fact authorized by you, it will be considered authorized if we accepted the Entry in compliance with the security procedures with respect to such Entry. In the event you are aware of the possibility of error or lack of authority in the transmission of an Entry or any request or communication relating thereto, regardless of source of information regarding such error or lack of authority, you shall immediately notify us by telephone, followed by confirmation in writing. **YOU ARE LIABLE FOR ANY UNAUTHORIZED ENTRIES THAT COMPLY WITH THE SECURITY PROCEDURES.**

Inconsistent Entries. You acknowledge and agree that (i) if an Entry describes the Designated Account Holder inconsistently by name and account number, payment of the Entry we transmit to an RDFI might be made by the RDFI (or by us in the case of an On-Us Entry) on the basis of the account number even if it identifies a person different from the named Designated Account Holder, and that your obligations to pay us the amount of the Entry is not excused in such circumstances, and (ii) if an Entry describes a RDFI inconsistently by name and identifying number, payment of the Entry might be made on the basis of the identifying number even if it identifies an RDFI different from the named RDFI, and that your obligation to pay the amount of the entry to us is not excused in such circumstances.

Your Representations and Warranties

You represent and warrant that for each Entry you deliver to us: (i) the Entry complies with the terms of this Agreement and the NACHA Rules; (ii) you have complied with the NACHA Rules with respect to the Entry; (iii) there has not been and shall not later be any breach of any warranty by you as an originator and the Entry will not cause any breach of warranty by us as an ODFI under the NACHA Rules; (iv) you have not breached any warranty contained in this Agreement; and (v) the Entry complies with all applicable local, state, and federal regulations, including but not limited to the Electronic Fund Transfer Act and Regulation E.

Notices and Statements

We are not required to and may not provide you or Designated Account Holders with notice of receipt, our transmittal, or crediting/debiting of Entries. Entries and other debits and credits to your Eligible Deposit Account

will be reflected on the periodic statement for your Eligible Deposit Account. You will notify us of any unauthorized or erroneous Entries or any other discrepancy or error on the periodic statement as provided in the Business Account Agreement. We will not be liable for any interest or losses resulting from your failure to give such notice.

Confidentiality

You acknowledge that you will have access to certain confidential information regarding our execution of Entries, the Security Procedures, and the services contemplated by this Agreement. You will not disclose any confidential information of the Bank and shall use such confidential information only in connection with the transactions contemplated by this Agreement.

Delivery Media and Records

All delivery media, Entries, Security Procedures, and records used by us for transactions contemplated by this Agreement shall be and remain our property. We may, in our sole discretion, make available such information upon your request. Any expenses incurred by us in making any such information available to you will be paid by you.

Instructions and Notices

We will be entitled to rely on any oral or written notice, response, or other communication we believe to be genuine and to have been provided by the Online Administrator, and any such communication shall be deemed to have been provided by such person on your behalf. Any Entry or other data or information we receive from or transmit to a third party data processor selected by you will be deemed to have been received from or transmitted to you, and such vendor shall be deemed your agent. You must provide us with notice of use of such vendors and notice of change of vendors. Such notice shall be effective on a date agreed to by both parties.

III.D. Wire Transfer Services (eWire)

You may initiate outgoing domestic wire transfers and international US Dollar and foreign currency wire transfers from certain types of Eligible Accounts (the "eWire Service"). Each Eligible Account from which we allow you to initiate wire transfers is referred to as a "Wire Transfer Account." You may request additional Wire Transfer Accounts by completing an updated Authorization Form. New Wire Transfer Accounts are available within 24 hours of our receipt of the completed form.

You may request the eWire Service by completing and submitting an Authorization Form. By completing and submitting an Authorization Form or permitting anyone to initiate a request for a wire transfer from a Wire Transfer Account ("Wire Transfer Request"), you agree to the terms and conditions of this Section.

This Section incorporates: (i) the designations and other information you provide in the Authorization Form; and (ii) any instructions or additional information that may be provided to you regarding the eWire Service by us or through Treasury Prime.

Authorization for eWire Service

You authorize and direct us to process each Wire Transfer Request submitted through the eWire Service and in compliance with the security procedures described in this Agreement. We have no obligation at any time to process any Wire Transfer Request that exceeds the Available Balance in the Wire Transfer Account and any related linked account, at the time that you initiate the Wire Transfer Request. We have the right, but not the obligation, to refuse to process any Wire Transfer Request for the purpose of determining whether you authorized the Wire Transfer Request, and shall incur no liability for any delay caused by exercising this right. Wire transfers are "funds transfers" under and for purposes of Article 4A of the Uniform Commercial Code, as adopted in the state of Washington.

Security Procedures.

In addition to using the User Passwords, you must use the security techniques we have established specifically for the eWire Service, which may include out of band authentication. These additional security techniques, together with the User Passwords and user identification information, are referred to as the "Wire Transfer Security Procedures." We may change the Wire Transfer Security Procedures, and will provide instructions to you about the requirements of the Wire Transfer Security Procedures in effect from time to time. You agree that you will take all actions required to comply with the Wire Transfer Security Procedures. You agree to assume the risk of loss with respect to any wire transfer initiated through the eWire Service using a User Password when the user has failed to comply with the Wire Transfer Security Procedures, and you agree to hold us harmless from and against any loss caused by this failure.

You agree that the Wire Transfer Security Procedures constitute a commercially reasonable security procedure for you. You agree to be bound by any Wire Transfer Request (or any request for cancellation or amendment of a Wire Transfer Request) initiated through the eWire Service and accepted by us in compliance with the Wire Transfer Security Procedures, regardless of whether or not you actually authorized the Wire Transfer Request. If we accept a Wire Transfer Request in compliance with the Wire Transfer Security Procedures, and the Wire Transfer Request contains any error, to the full extent allowed by law you shall be liable for, and shall indemnify us against, the amount of the Wire Transfer Request and all claims and all of our losses and expenses, including attorneys' fees, relating to the erroneous Wire Transfer Request. Our records demonstrating compliance with the Wire Transfer Security Procedures with respect to any Wire Transfer Request will be deemed conclusive proof that the Wire Transfer Request we received was authorized and you are bound by that Wire Transfer Request.

Liability for Authorized Requests

If the Wire Transfer Request (or any request for cancellation or amendment of a Wire Transfer Request) we receive was transmitted or authorized by you, you shall be obligated to pay the amount of the Wire Transfer Request regardless of (i) whether or not we complied with the Wire Transfer Security Procedures with respect to that Wire Transfer Request, (ii) whether or not that Wire Transfer Request was erroneous in any respect, and (iii) whether or not that error would have been detected if we had complied with the Wire Transfer Security Procedures.

Compliance with Applicable Law

You agree that your use of the eWire Services and all Wire Transfer Requests will comply with Applicable Law. The term "Applicable Law" means all federal and state laws, rules and regulations governing the eWire Service and Wire Transfer Requests, including, without limitation, the rules of the Fedwire payment system or any other similar funds transfer system, the rules administered by the Office of Foreign Assets Control of the U.S. Treasury Department ("OFAC"), and the terms and provisions of Article 4A of the Uniform Commercial Code, as adopted in the state of Washington.

Wire Transfer Requests

Initiating Wire Transfers. Wire transfers may only originate from Wire Transfer Accounts, and may be to any other account with the Bank, an affiliate of the Bank, or another bank or financial institution. You agree that all Wire Transfer Requests you originate through the eWire Service, will comply with the Wire Transfer Security Procedures.

Honoring Wire Transfers. We will accept a Wire Transfer Request only if the request is placed in accordance with the terms and requirements stated in this Agreement and the onscreen terms. We have no obligation to honor, either in whole or in part, the Wire Transfer Request (or the cancellation or amendment thereto) that: (i) exceeds the Available Balance in the Wire Transfer Account and any related linked account from which the transfer is requested; (ii) is not in accordance with each term and condition provided for in this Agreement and applicable law; (iii) is not, or we believe may not be, authorized or correct; or (iv) is impracticable or not feasible to accept. In addition, we shall be excused from failure or delay in issuing or accepting a Wire Transfer Request if such issuance

or acceptance would result in the Bank's exceeding any limitation upon its intraday net funds position established pursuant to present or future guidelines or otherwise violating any provision of any present or future bank regulatory statute, rule, regulation or risk control program. If the applicable Wire Transfer Account does not contain sufficient funds for the requested wire transfer, we may, at our option, accept the Wire Transfer Request and debit any such account into overdraft, and we shall not be liable for damages to you as a result thereof; provided, we have no obligation to debit any such account into overdraft. If we create an overdraft to complete a wire transfer, you agree to pay to us the amount of the overdraft upon demand, and, if applicable, interest accruing on the amount of the overdraft from the date of its creation at the maximum rate of interest permitted under applicable law. You hereby authorize us to charge any of your accounts held by us at any time for such amount.

Except as otherwise provided in this Section, we agree to use reasonable efforts to execute each Wire Transfer Request on the date received, provided that: (i) we receive your Wire Transfer Request no later than 2:00 PM, Pacific Time; and (ii) such day is a Business Day for us, the Federal Reserve, and the beneficiary's bank. In executing the Wire Transfer Request, we may utilize such means of transmission as we reasonably select. If you originate multiple Wire Transfer Requests for execution on the same day, we may execute the Wire Transfer Requests in any order convenient to us. If you direct us to use a specific intermediary bank or specific means of execution, you assume all risks of failure or of non-payment by the intermediary bank and all risks of loss by the means directed.

Canceling and Amending Wire Transfer Requests. If you wish to cancel or amend a Wire Transfer Request previously transmitted to us, you must transmit notice of the requested cancellation or amendment in compliance with this Agreement, and you must include the amount and recipient of the Wire Transfer Request in the notice. We will make a commercially reasonable effort to comply with any request you make to cancel or amend a Wire Transfer Request that is made before our acceptance of the Wire Transfer Request but only if our Wire Transfer Department has been given sufficient notice and a reasonable opportunity to act on it. We have no obligation or duty to cancel or amend a Wire Transfer Request received from you after we accept the Wire Transfer Request. If we consent to cancel or amend an accepted Wire Transfer Request, you shall indemnify and hold us harmless for all loss and expense, including attorneys' fees, relating to the cancellation and amendment or attempted cancellation and amendment.

Types of Wire Transfers.

The eWire Service permits you to submit one-time Wire Transfers Requests and to develop templates for semi-repetitive and repetitive Wire Transfer Requests.

Foreign Currency (FX) Conversion.

Wire Transfer Requests to a beneficiary in a foreign country can be submitted in U.S. Dollars or the applicable foreign currency. The exchange rate determined by the Bank in its discretion will be presented within the eWire Service. You will accept the exchange rate prior to submitting the Wire Transfer Request. If the Wire Transfer Request is withdrawn, rejected, or returned for any reason after submission, you agree to accept the refund in U.S. Dollars based on the current buying rate on the day of the refund, less any charges or expenses incurred by us. Foreign transfers may be subject to changes in the foreign currency exchange rates. Fees imposed by intermediary banks may be deducted from the amount of the Wire Transfer Request.

You acknowledge that the exchange rates used in processing foreign currency Wire Transfer Requests may vary from the rate we and other intermediaries receive or the government mandated rate (if in effect).

Fees.

You agree to pay and reimburse us for all governmental and third party fees or taxes arising out of or related to our providing the eWire Service to you.

Reliance on Your Instructions

You understand and agree that, unless we, in our sole discretion, elect to confirm any Wire Transfer Request, we will not verify the terms of any Wire Transfer Request submitted under this Section. You are solely responsible for the accuracy and completeness of all data, instructions or other information provided to us regarding any wire transfer initiated. You authorize us to process each Wire Transfer Request submitted in accordance with the information that we receive from you in accordance with the security procedures in this Agreement. We shall have no responsibility for any erroneous information you provide and no liability for any losses you may suffer that arise from or relate to any erroneous information you provide for any Wire Transfer Request submitted hereunder.

Representations and Warranties

You represent and warrant that each electronic communication submitted to us through the eWire Service, including without limitation, each Wire Transfer Request, shall comply with this Agreement and all applicable law. You also represent and warrant that: (a) no Wire Transfer Account is a "consumer account" as contemplated by the Electronic Fund Transfer Act, 15 U.S.C. 1693 et seq., and Regulation E, 12 CFR Part 205; and (b) you will submit a Wire Transfer Request on a Wire Transfer Account only for commercial purposes, and never for personal, family or household purposes. You agree to provide any additional information and to execute any additional documents or agreements that we may request in connection with your use of the eWire Service.

Identifying Information

You understand and agree that all wire transfers shall be executed on the basis of the following information provided in your Wire Transfer Request (which is referred to collectively as "Identifying Numbers"): (i) account number or other Identifying Number for the beneficiary; and (ii) the Identifying Number for any bank to or through which the funds are to be sent (a "Receiving Bank"). We and any other bank processing the Wire Transfer Request (a "Processing Bank") may rely solely on the Identifying Numbers that you provide in your Wire Transfer Request, regardless of whether the order also identifies the beneficiary or Receiving Bank by name, and no Processing Bank has any obligation to confirm that any Identifying Number applies to any named beneficiary or Receiving Bank or to identify any discrepancy between any Identifying Number and the name provided for any beneficiary or Receiving Bank. We have no obligation to determine whether the recipient identified in any Wire Transfer Request is the accountholder for the account to which funds are to be transferred. If your instructions for any Wire Transfer Request contain any inconsistent information or other discrepancy regarding the name of the intended recipient and the account into which the funds are to be transferred, we shall make the transfer on the basis of the account number, even if that number identifies an account held by a person or entity other than the named recipient. If a Wire Transfer Request issued by you identifies an intermediary bank or beneficiary's bank only by an Identifying Number or by both name and Identifying Number, the Receiving Bank may rely on the Identifying Number as the proper identification of the intermediary bank or beneficiary's bank, even if such number identifies a person or entity different from the bank identified by name; and the Receiving Bank need not determine whether the name and number refer to the same person or entity or whether the number refers to the bank. The foregoing is intended to be consistent with and subject to the terms and provisions of Sections 4A-207 and 4A-208 of the Uniform Commercial Code as in effect in the state of Washington.

Report and Return Request Transmittal. All Check Issue Reports, Exception Check Lists, and Pay/Return Requests will be and must be transmitted electronically through the use of Treasury Prime.

In the event of a system failure at the Bank that results in a Check Issue Report, Exception Check List, or Pay/Return Request that cannot be received, made available or processed by us, we will attempt to contact you. If we cannot reach you, we will act pursuant to your default selection. In the event of your system failure, we request that you contact the Commercial Account Service Center at 1-877-423-9742 or 206-626-8108 to provide us with instructions. If you do not contact us, we will act pursuant to your default selection.

Errors. We are not responsible for detecting any error contained in any Check Issue Report or Pay/Return Request you send us. On occasion, a Presented Check may inadvertently appear on an Exception Check List when such Presented Check had been provided to us in a previous Check Issue Report. You, and not the Bank, are responsible for reconciling such reporting and providing us with appropriate instructions per this Agreement.

Not Covered. This Agreement does not apply to a check that we have already cashed, negotiated or paid or which we are already committed to honor or pay under applicable laws, regulations or rules governing such items.

Wrongful Honor. It shall constitute wrongful honor by us to pay an Exception Item that was listed in a timely Exception Check List or Exception ACH Debit Entry Notice and which you rejected in a timely Pay/Return Request. In the event that there is wrongful honor, we will be liable to you for the lesser of the amount of the wrongfully paid Exception Item or your actual damages resulting from our payment of the Exception Item. We retain all rights and remedies related to any wrongful honor.

Wrongful Dishonor. Except as provided in this section, it shall constitute wrongful dishonor by us to dishonor an Exception Item you approved in a timely Pay/Return Request. We will have no liability to you for wrongful dishonor when we, acting in good faith, return an Exception Item: (i) we reasonably believed was not properly payable; (ii) because there are insufficient Available Funds on deposit in the Authorized Account; or (iii) because we are required to do so by the service of legal process on us or the instructions of regulatory or government authorities or courts.

Except as provided in the Faulty Information section of this Agreement: (i) If we dishonor an Exception Item because you rejected the Exception Item in a Pay/Return Request, the dishonor shall be rightful, and you waive any right it may have to assert that the dishonor was wrongful; and (ii) you agree that we exercise ordinary care whenever we rightfully pay or return an Exception Item consistent with the provisions of the Agreement.

Faulty Information. We will be liable for direct losses caused by its honor of an item that was not properly payable, or its dishonor of an item that was properly payable, if the honor or dishonor occurred because we, in accordance with this Agreement, (a) should have shown the item on an Exception Check Report or Exception ACH Debit Entry Notice but failed to do so; or (b) showed the check on an Exception Check Report but referenced the wrong check number, unless we provided you with timely information that disclosed the error.

Sufficient Funds. You will maintain sufficient Available Funds in the Authorized Account to cover the aggregate debits made from the Authorized Account. If sufficient funds are not available we may, in our sole discretion, either (a) reject any checks or other debit items drawn on the Authorized Account or (b) accept any checks or other debit items drawn on any Authorized Account, even if such acceptance would bring the Authorized Account negative. If we must reverse a provisional credit and such reversal causes the Authorized Account to have a negative balance, you agree that we may reverse the transfer of any funds and then reject any items not finally paid. Fees may apply. Please review the current *Fee Schedules*.

Traditional (Check) Positive Pay Services

On each Business Day, we: (a) may pay and charge to the Authorized Account each Presented Check that matches by check number and amount a check shown in any Check Issue Report; and (b) will make available through Treasury Prime by 8:00 AM Pacific Time an Exception Check List that indicates whether we have received any Exception Checks and, if so, specifies the complete check number and amount of any such Exception Check.

Payment of Exception Checks; Return Requests.

We will pay or return Exception Checks pursuant to your Pay/Return Request or pursuant to ONLY ONE of the following default selections:

Return Default: If the Return Default Option is selected, the Bank shall return to the depository bank any Exception Check drawn on the Authorized Account(s), unless Customer issues a timely Pay/Return Request to the Bank.

We will reject any Exception ACH Debit Entry for which we have not received a Pay/Return Request by the specified cut-off time on the Business Day on which they are presented.

Teller Positive Pay Services

Eligible Accounts utilizing the Positive Pay Service are subject to item verification at a Bank branch the teller window when presented for payment. We will compare items presented for cash at the branch to your Check Issue File. You acknowledge that under some conditions Check Issue File information may not be available until the next Business Day. In the event the Check Issue File information is not available to the teller we will take reasonable measures to contact you for verification. You acknowledge if we are unable to contact you, we may refuse to cash the Exception Item.

We may change these security procedures and will provide instructions to you about the requirements of the security procedures in effect from time to time. You agree that you will take all actions required to comply with any security procedures. You agree to assume the risk of loss with respect to any

data file exchange initiated through the File Exchange Services or File Vault using a User Password when the user has failed to comply with any applicable security procedures, and you agree to hold us harmless from and against any loss caused by this failure.

You agree that the security procedures applicable to the File Exchange Services and the File Vault constitute a commercially reasonable security procedure for you. You acknowledge that although we endeavor to ensure that all communication through the File Exchange Services are encrypted or otherwise protected against interception by a person whose access to those services is not authorized, you accept and assume all risk of loss or dissemination of data attributable to data exchange between you and the Bank through the File Exchange Services or the File Vault.

Unless we notify you otherwise, we will provide credit to the designated accounts for all Image Files we receive from you in accordance with the requirements of this Agreement, the Business Deposit Agreement and within the timelines we established.

If a payor financial institution returns an Item to us, we will charge the designated account for such returned Item, and may either (a) return the Item to you or (b) re-present it to the payor financial institution before returning it to you. Items may be returned as a digitized image, rather than Substitute Checks, as agreed by the parties. If a payor financial institution or other third party makes a claim against us or seeks a re-credit with respect to any Scanned Check, we may provisionally freeze or hold aside a like amount in the designated account pending investigation and resolution of the claim.

We reserve the right to audit your compliance with the NACHA Rules and this Agreement. At your request, we will make a copy of the NACHA Rules available for you.

Compliance with Law

You agree that you will not initiate any ACH entries in violation of federal, state, or local law. You are responsible for ensuring that any Entries initiated through the eACH Service are not subject to sanctions enforced by the Office of Foreign Assets Control (OFAC). You agree that if we identify a potential violation of OFAC sanctions that we may act upon the Entry as required by law and in accordance with the NACHA Rules. You are restricted to only transmitting PPD (Prearranged Payment and Deposit) and CCD (Corporate Credit) Entries.

Delivery of Entries to Bank

Delivery Requirements. You will deliver all Entries to us in compliance with the formatting and other requirements provided by us, including those in this Agreement.

Maximum Settlement Limit. We may set a Maximum Settlement Limit for you in writing and may from time to time increase or decrease this limit. We will also set batch limits commensurate with your ACH processing needs. The total dollar amount of Entries transmitted by you may not exceed this Maximum Settlement Limit. We will reject batches that exceed the limits set forth and will notify you if such rejection occurs. To avoid processing delays or rejection of batches, you agree not to send batches that exceed the limits set by us.

Security Procedures. You and we will comply with the security procedures with respect to Entries you transmit to us. We may reject any Entry that we believe or suspect do not comply with the security procedures.

Designated Account Holder Authorizations and Record Retention. Before you initiate the first Entry to a Designated Account Holder's Account, you will obtain from the Designated Account Holder an authorization that

complies with NACHA Rules to initiate one or more Entries to the Designated Account Holder's Account. You will provide the Designated Account Holder with a copy of the authorization. Each Entry thereafter will be made pursuant to the authorization, and you will not initiate an Entry after the authorization has been revoked or the arrangement between you and such Designated Account Holder has terminated. You will retain Designated Account Holder authorizations for two years after they are terminated. You will immediately furnish any authorizations and related documents to us upon our request. We will provide a sample ACH authorization form upon request.

Cancellation and Amendment of Entries; Reversals. Through the eACH Service, you may cancel an Entry if it has not yet been delivered to us or submit a reversal of an Entry up to 5 business days after the Settlement Date. We may at our discretion use reasonable efforts to act on a request by you for reversal of an Entry file pursuant to the NACHA Rules; provided, however, that we will not be liable for interest or losses if such reversal is not effected. Any request by you for reversal of an Entry must comply with the provisions of the sections entitled Delivery Requirements and Security Procedures. You will reimburse us for any expenses, losses, or damages we may incur in effecting or attempting to complete your request for the reversal of an Entry.

Processing, Transmittal and Settlement by Bank

Except as otherwise provided in this Agreement, we will process Entries we receive from you in conformance with the requirements set forth in this Agreement, transmit Entries as an ODFI to an ACH Operator, and settle Entries as provided in the NACHA Rules.

Transmittal of Same Day Entries

We will use reasonable efforts to transmit any Same Day Entry to the ACH Operator on the Business Day we receive it, if (1) we receive the Same Day Entry no later than 9 AM Pacific Time, (2) the Effective Entry Date of the Entry is the Business Day we receive it or you have selected the option for same day ACH processing, as applicable, and (3) the ACH Operator is open for business on the Business Day we receive the Same Day Entry. Under NACHA Rules, entries for international transactions and those above \$25,000 are not eligible for same day processing.

Transmittal of Other Entries

We will transmit Entries to the ACH Operator by the deadline of the ACH Operator either one or two Business Days prior to the Effective Entry Date shown in the Entries, provided that (i) we receive the Entries on a Business Day no later than 5 PM Pacific Time one Business Day prior to the Effective Entry date; (ii) the Effective Entry Date is at least one Business Day after the Business Day we receive the Entry, and (iii) the ACH Operator is open for business on the Business Day we receive the Entry. Entries will be deemed received by us when the electronic transmission (and compliance with any related Security Procedure) is completed as provided in the Delivery Requirements.

If any of the requirements of clauses (i) or (ii) of the preceding paragraph are not met, we will use reasonable efforts to transmit Entries to the ACH Operator by the next deposit deadline of the ACH Operator that is a Business Day.

If the Effective Date of an Entry is a federal holiday, we will transmit the Entry on the Business Day prior to the federal holiday. You are responsible for the timing of Entries to correspond to the Settlement Date of such Entries.

On-Us Entries

Except as provided in the Section entitled "Rejection of Entries," in the case of an On-Us Entry, we will credit the Designated Account Holder's account in the amount of such Entry on the Effective Entry Date contained in such Entry, provided the requirements set forth in the sections entitled "Transmittal of Same Day Entries" or "Transmittal of Other Entries," as applicable, are met. If these requirements are not met, we will use reasonable

efforts to credit the Designated Account Holder's account in the amount of the Entry on the next Business Day following the original Effective Entry Date.

Rejection of Entries

We may reject any Entry for any reason. We will in good faith attempt to notify you of such rejection (either electronically, in writing, by telephone, or as otherwise agreed to by us and you) no later than the Effective Entry Date of the rejected Entry. We will not be liable to you for the rejection of any Entry, for your non-receipt of a notice given to you, or for the failure to give notice of rejection at an earlier time than that provided for herein. We will not be required to pay you interest on a rejected Entry for the period from rejection of the Entry to your receipt of the notice of rejection.

Notice of Returned Entries

We will notify you either electronically, in writing, by telephone, or as otherwise agreed to by us and you of the receipt of an Entry returned by the ACH Operator no later than one Business Day after our receipt of the returned Entry. We have no obligation to re-execute a returned Entry.

Provisional Payment

You represent to us and agree to be bound by the provision of the NACHA Rules making payment of an Entry by the RDFI to the Designated Account Holder provisional until receipt by the RDFI of final settlement for such Entry, and specifically acknowledge receipt of notice of that NACHA Rule and of the fact that, if such settlement is not received, the RDFI shall be entitled to a refund from the Designated Account Holder of the amount credited and you shall not be deemed to have paid the Designated Account Holder the amount of the Entry.

Available Funds and Settlement

You shall at all times maintain sufficient Available Funds in your Eligible Deposit Accounts to pay the amount of all Credit Entries, Adjustment Entries, fees and other amounts which you are obligated to pay us under this Agreement.

We in our sole discretion may require you to have sufficient Available Funds in your Eligible Deposit Accounts to cover the amount of a Credit Entry prior to our transmittal of such Entry to the ACH Operator or our crediting of a Designated Account Holder's Account in the amount of an On-Us Entry. In the absence of such a requirement, you will be obligated to have sufficient available funds in your Eligible Deposit Accounts at such time on the Settlement Date with respect to such Entry or, in the case of an On-Us Entry, the date of crediting the Designated Account Holder's Account, as we, in our discretion, may determine.

Security Procedures; Unauthorized and Authorized Entries; Inconsistent Entries

Purpose of Security Procedures. You agree that the purpose of the security procedures set out in this Section is to verify the authenticity of Entries transmitted to us in your name and not to detect an error in the transmission or content of any Entry, and that no security procedure for the detection of such errors has been agreed upon by you and us.

Single Approval and Dual Approval. We may require Single Approval (two separate individuals) or Dual Approval (three separate individuals) on all Entries initiated through the eACH Service. In effect, you will be required to have one individual initiate and at least one individual approve any file submission to us. You may establish a dollar limit threshold that will allow submission of files with no approval or Single Approval if the threshold is not exceeded. This limit is established at the User level and can vary within the Owner to not exceed the Bank-determined limit.

Exceeding Exposure Limits. The eACH Service will reject any file that exceeds the exposure limits designated by us ("Exposure Limits"). Requests to exceed the Exposure Limits must be approved prior to any transmission of files that would exceed the designated Exposure Limit.

Authorized Entries. If we receive an Entry received transmitted or authorized by you, it will be effective as your Entry as provided herein, whether or not we complied with the security procedures with respect to that Entry and whether or not that Entry was erroneous in any respect or that error would have been detected if we had complied with such procedure.

Unauthorized Entries. If an Entry delivered to us was not in fact authorized by you, it will be considered authorized if we accepted the Entry in compliance with the security procedures with respect to such Entry. In the event you are aware of the possibility of error or lack of authority in the transmission of an Entry or any request or communication relating thereto, regardless of source of information regarding such error or lack of authority, you shall immediately notify us by telephone, followed by confirmation in writing. **YOU ARE LIABLE FOR ANY UNAUTHORIZED ENTRIES THAT COMPLY WITH THE SECURITY PROCEDURES.**

Inconsistent Entries. You acknowledge and agree that (i) if an Entry describes the Designated Account Holder inconsistently by name and account number, payment of the Entry we transmit to an RDFI might be made by the RDFI (or by us in the case of an On-Us Entry) on the basis of the account number even if it identifies a person different from the named Designated Account Holder, and that your obligations to pay us the amount of the Entry is not excused in such circumstances, and (ii) if an Entry describes a RDFI inconsistently by name and identifying number, payment of the Entry might be made on the basis of the identifying number even if it identifies an RDFI different from the named RDFI, and that your obligation to pay the amount of the entry to us is not excused in such circumstances.

Your Representations and Warranties

You represent and warrant that for each Entry you deliver to us: (i) the Entry complies with the terms of this Agreement and the NACHA Rules; (ii) you have complied with the NACHA Rules with respect to the Entry; (iii) there has not been and shall not later be any breach of any warranty by you as an originator and the Entry will not cause any breach of warranty by us as an ODFI under the NACHA Rules; (iv) you have not breached any warranty contained in this Agreement; and (v) the Entry complies with all applicable local, state, and federal regulations, including but not limited to the Electronic Fund Transfer Act and Regulation E.

Notices and Statements

We are not required to and may not provide you or Designated Account Holders with notice of receipt, our transmittal, or crediting/debiting of Entries. Entries and other debits and credits to your Eligible Deposit Account will be reflected on the periodic statement for your Eligible Deposit Account. You will notify us of any unauthorized or erroneous Entries or any other discrepancy or error on the periodic statement as provided in the Business Account Agreement. We will not be liable for any interest or losses resulting from your failure to give such notice.

Confidentiality

You acknowledge that you will have access to certain confidential information regarding our execution of Entries, the Security Procedures, and the services contemplated by this Agreement. You will not disclose any confidential information of the Bank and shall use such confidential information only in connection with the transactions contemplated by this Agreement.

Delivery Media and Records

All delivery media, Entries, Security Procedures, and records used by us for transactions contemplated by this Agreement shall be and remain our property. We may, in our sole discretion, make available such information upon your request. Any expenses incurred by us in making any such information available to you will be paid by you.

Instructions and Notices

We will be entitled to rely on any oral or written notice, response, or other communication we believe to be genuine and to have been provided by the Online Administrator, and any such communication shall be deemed to have been provided by such person on your behalf. Any Entry or other data or information we receive from or transmit to a third party data processor selected by you will be deemed to have been received from or transmitted to you, and such vendor shall be deemed your agent. You must provide us with notice of use of such vendors and notice of change of vendors. Such notice shall be effective on a date agreed to by both parties.

IV.C. Wire Transfer Services (eWire)

You may initiate outgoing domestic wire transfers from certain types of Eligible Accounts (the "eWire Service"). Each Eligible Account from which we allow you to initiate wire transfers is referred to as a "Wire Transfer Account." You may request additional Wire Transfer Accounts by completing an updated Authorization Form. New Wire Transfer Accounts are available within 24 hours of our receipt of the completed form.

You may request the eWire Service by completing and submitting an Authorization Form. By completing and submitting an Authorization Form or permitting anyone to initiate a request for a wire transfer from a Wire Transfer Account ("Wire Transfer Request"), you agree to the terms and conditions of this Section.

This Section incorporates: (i) the designations and other information you provide in the Authorization Form; and (ii) any instructions or additional information that may be provided to you regarding the eWire Service by us or through Treasury Express.

Authorization for eWire Service

You authorize and direct us to process each Wire Transfer Request submitted through the eWire Service and in compliance with the security procedures described in this Agreement. We have no obligation at any time to process any Wire Transfer Request that exceeds the Available Balance in the Wire Transfer Account and any related linked account, at the time that you initiate the Wire Transfer Request. We have the right, but not the obligation, to refuse to process any Wire Transfer Request for the purpose of determining whether you authorized the Wire Transfer Request, and shall incur no liability for any delay caused by exercising this right. Wire transfers are "funds transfers" under and for purposes of Article 4A of the Uniform Commercial Code, as adopted in the state of Washington.

Security Procedures.

In addition to using the User Passwords, you must use the security techniques we have established specifically for the eWire Service, which may include out of band authentication. These additional security techniques, together with the User Passwords and user identification information, are referred to as the "Wire Transfer Security Procedures." We may change the Wire Transfer Security Procedures, and will provide instructions to you about the requirements of the Wire Transfer Security Procedures in effect from time to time. You agree that you will take all actions required to comply with the Wire Transfer Security Procedures. You agree to assume the risk of loss with respect to any wire transfer initiated through the eWire Service using a User Password when the user has failed to comply with the Wire Transfer Security Procedures, and you agree to hold us harmless from and against any loss caused by this failure.

You agree that the Wire Transfer Security Procedures constitute a commercially reasonable security procedure for you. You agree to be bound by any Wire Transfer Request (or any request for cancellation or amendment of a Wire Transfer Request) initiated through the eWire Service and accepted by us in compliance with the Wire Transfer Security Procedures, regardless of whether or not you actually authorized the Wire Transfer Request. If we accept a Wire Transfer Request in compliance with the Wire Transfer Security Procedures, and the Wire Transfer Request contains any error, to the full extent allowed by law you shall be liable for, and shall indemnify us

against, the amount of the Wire Transfer Request and all claims and all of our losses and expenses, including attorneys' fees, relating to the erroneous Wire Transfer Request. Our records demonstrating compliance with the Wire Transfer Security Procedures with respect to any Wire Transfer Request will be deemed conclusive proof that the Wire Transfer Request we received was authorized and you are bound by that Wire Transfer Request.

Liability for Authorized Requests

If the Wire Transfer Request (or any request for cancellation or amendment of a Wire Transfer Request) we receive was transmitted or authorized by you, you shall be obligated to pay the amount of the Wire Transfer Request regardless of (i) whether or not we complied with the Wire Transfer Security Procedures with respect to that Wire Transfer Request, (ii) whether or not that Wire Transfer Request was erroneous in any respect, and (iii) whether or not that error would have been detected if we had complied with the Wire Transfer Security Procedures.

Compliance with Applicable Law

You agree that your use of the eWire Services and all Wire Transfer Requests will comply with Applicable Law. The term "Applicable Law" means all federal and state laws, rules and regulations governing the eWire Service and Wire Transfer Requests, including, without limitation, the rules of the Fedwire payment system or any other similar funds transfer system, the rules administered by the Office of Foreign Assets Control of the U.S. Treasury Department ("OFAC"), and the terms and provisions of Article 4A of the Uniform Commercial Code, as adopted in the state of Washington.

Wire Transfer Requests

Initiating Wire Transfers. Wire transfers may only originate from Wire Transfer Accounts, and may be to any other account with the Bank, an affiliate of the Bank, or another bank or financial institution. You agree that all Wire Transfer Requests you originate through the eWire Service, will comply with the Wire Transfer Security Procedures.

Honoring Wire Transfers. We will accept a Wire Transfer Request only if the request is placed in accordance with the terms and requirements stated in this Agreement and the onscreen terms. We have no obligation to honor, either in whole or in part, the Wire Transfer Request (or the cancellation or amendment thereto) that: (i) exceeds the Available Balance in the Wire Transfer Account and any related linked account from which the transfer is requested; (ii) is not in accordance with each term and condition provided for in this Agreement and applicable law; (iii) is not, or we believe may not be, authorized or correct; or (iv) is impracticable or not feasible to accept. In addition, we shall be excused from failure or delay in issuing or accepting a Wire Transfer Request if such issuance or acceptance would result in the Bank's exceeding any limitation upon its intraday net funds position established pursuant to present or future guidelines or otherwise violating any provision of any present or future bank regulatory statute, rule, regulation or risk control program. If the applicable Wire Transfer Account does not contain sufficient funds for the requested wire transfer, we may, at our option, accept the Wire Transfer Request and debit any such account into overdraft, and we shall not be liable for damages to you as a result thereof; provided, we have no obligation to debit any such account into overdraft. If we create an overdraft to complete a wire transfer, you agree to pay to us the amount of the overdraft upon demand, and, if applicable, interest accruing on the amount of the overdraft from the date of its creation at the maximum rate of interest permitted under applicable law. You hereby authorize us to charge any of your accounts held by us at any time for such amount.

Except as otherwise provided in this Section, we agree to use reasonable efforts to execute each Wire Transfer Request on the date received, provided that: (i) we receive your Wire Transfer Request no later than 2:00 PM, Pacific Time; and (ii) such day is a Business Day for us, the Federal Reserve, and the beneficiary's bank. In executing the Wire Transfer Request, we may utilize such means of transmission as we reasonably select. If you originate multiple Wire Transfer Requests for execution on the same day, we may execute the Wire Transfer Requests in any order convenient to us. If you direct us to use a specific intermediary bank or specific means of

execution, you assume all risks of failure or of non-payment by the intermediary bank and all risks of loss by the means directed.

Canceling and Amending Wire Transfer Requests. If you wish to cancel or amend a Wire Transfer Request previously transmitted to us, you must transmit notice of the requested cancellation or amendment in compliance with this Agreement, and you must include the amount and recipient of the Wire Transfer Request in the notice. We will make a commercially reasonable effort to comply with any request you make to cancel or amend a Wire Transfer Request that is made before our acceptance of the Wire Transfer Request but only if our Wire Transfer Department has been given sufficient notice and a reasonable opportunity to act on it. We have no obligation or duty to cancel or amend a Wire Transfer Request received from you after we accept the Wire Transfer Request. If we consent to cancel or amend an accepted Wire Transfer Request, you shall indemnify and hold us harmless for all loss and expense, including attorneys' fees, relating to the cancellation and amendment or attempted cancellation and amendment.

Types of Wire Transfers.

The eWire Service permits you to submit one-time Wire Transfers Requests and to develop templates for semi-repetitive and repetitive Wire Transfer Requests. The eWire Service through Treasury Express permits only domestic Wire Transfer Requests.

Fees.

You agree to pay and reimburse us for all governmental and third party fees or taxes arising out of or related to our providing the eWire Service to you.

Reliance on Your Instructions

You understand and agree that, unless we, in our sole discretion, elect to confirm any Wire Transfer Request, we will not verify the terms of any Wire Transfer Request submitted under this Section. You are solely responsible for the accuracy and completeness of all data, instructions or other information provided to us regarding any wire transfer initiated. You authorize us to process each Wire Transfer Request submitted in accordance with the information that we receive from you in accordance with the security procedures in this Agreement. We shall have no responsibility for any erroneous information you provide and no liability for any losses you may suffer that arise from or relate to any erroneous information you provide for any Wire Transfer Request submitted hereunder.

Representations and Warranties

You represent and warrant that each electronic communication submitted to us through the eWire Service, including without limitation, each Wire Transfer Request, shall comply with this Agreement and all applicable law. You also represent and warrant that: (a) no Wire Transfer Account is a "consumer account" as contemplated by the Electronic Fund Transfer Act, 15 U.S.C. 1693 et seq., and Regulation E, 12 CFR Part 205; and (b) you will submit a Wire Transfer Request on a Wire Transfer Account only for commercial purposes, and never for personal, family or household purposes. You agree to provide any additional information and to execute any additional documents or agreements that we may request in connection with your use of the eWire Service.

Identifying Information

You understand and agree that all wire transfers shall be executed on the basis of the following information provided in your Wire Transfer Request (which is referred to collectively as "Identifying Numbers"): (i) account number or other Identifying Number for the beneficiary; and (ii) the Identifying Number for any bank to or through which the funds are to be sent (a "Receiving Bank"). We and any other bank processing the Wire Transfer Request (a "Processing Bank") may rely solely on the Identifying Numbers that you provide in your Wire Transfer Request, regardless of whether the order also identifies the beneficiary or Receiving Bank by name, and no Processing Bank has any obligation to confirm that any Identifying Number applies to any named beneficiary or Receiving Bank or to identify any discrepancy between any Identifying Number and the name provided for any beneficiary or Receiving Bank. We have no obligation to determine whether the recipient identified in any Wire Transfer Request is the accountholder for the account to which funds are to be transferred. If your instructions for

any Wire Transfer Request contain any inconsistent information or other discrepancy regarding the name of the intended recipient and the account into which the funds are to be transferred, we shall make the transfer on the basis of the account number, even if that number identifies an account held by a person or entity other than the named recipient. If a Wire Transfer Request issued by you identifies an intermediary bank or beneficiary's bank only by an Identifying Number or by both name and Identifying Number, the Receiving Bank may rely on the Identifying Number as the proper identification of the intermediary bank or beneficiary's bank, even if such number identifies a person or entity different from the bank identified by name; and the Receiving Bank need not determine whether the name and number refer to the same person or entity or whether the number refers to the bank. The foregoing is intended to be consistent with and subject to the terms and provisions of Sections 4A-207 and 4A-208 of the Uniform Commercial Code as in effect in the state of Washington.

Use of the Service

By using the scanDeposit Service, you represent and warrant that; (a) you will not use Services in connection with or in furtherance of money laundering or other illicit purposes; (b) none of your transactions to be processed by us are prohibited by any applicable law, regulation, rule, order, or judgment; (c) none of your employees are on the Specially Designated Nationals List of the United States Office of Foreign Assets Control; (d) each Scanned Check is made payable or endorsed to your order, (e) all signatures on such Scanned Checks are authentic and authorized; (f) no Scanned Check has been altered; (g) each Scanned Check is drawn on a U.S. financial institution and made payable in U.S. dollars; (h) no Scanned Check has been paid, previously scanned, imaged or otherwise presented or transmitted to us or any other financial institution, entity or person for payment or anything else of value.

Image Files

We will accept Image Files you transmit to us in compliance with this Agreement for deposit to the accounts designated in the Authorization. Image Files shall be deemed received upon successful receipt of the transmission of Image Files that are complete, usable, and adhere to the data specifications set forth in this Agreement and any documentation we provide you. If the Image Files are not complete, are not useable, or do not adhere to such data specifications, we may not process the Image Files and we will adjust your deposit and notify you.

Image Files will be processed after we receive your transmission. We will use commercially reasonable efforts to present Image Files for collection. Unless we notify you, we will provide credit to the designated accounts for Image Files you transmit to us in accordance with the requirements of this Agreement, the Business Deposit Agreement and within the timelines established by us.

If a payor financial institution returns an Item to us, we will charge the designated account for such returned item, and may either (a) return the Item to you or (b) re-present it to the payor financial institution before returning it to you. Items may be returned as a digitized image, rather than Substitute Checks, as agreed by the parties. If a payor financial institution or other third party makes a claim against us or seeks a recredit with respect to any Scanned Check, we may provisionally freeze or hold aside a like amount in the designated account pending investigation and resolution of the claim.

We may suspend immediately the scanDeposit Service or the processing of any Scanned Check or Image File if we have reason to believe that there has been a breach in the security of the scanDeposit Services, fraud involving your accounts or such Scanned Check, or any uncertainty as to the authorization or accuracy of Image Files. We reserve the right at any time to process Image Files on a collection basis. We may return any item at any time for any reason.

Eligible Accounts and Dollar Limits

You will only deposit to Eligible Accounts up to but not exceeding limits we pre-determine. Limits are established for per item and aggregate dollar volume limits.

Software and Equipment

You are solely responsible for obtaining, installing and operating any and all equipment or technology reasonably necessary to create and transmit Image Files, including without limitation, equipment or technology used to transmit items to us via the internet. We may provide minimum specifications for all such equipment or technology. You will ensure that the Scanners and other equipment used for the scanDeposit Services are operating properly and will inspect and verify the quality of the Image Files.

Scanners will only be used for scanDeposit Services at physical locations identified on the Authorization.

We will offer installation and training in support as reasonably required for your implementation of the scanDeposit Services. Any onsite installation or training support shall be on such terms and conditions as the parties agree, including reimbursement of our reasonable travel costs.

Periodic Audits

You will comply with requests for periodic audits as we deem necessary. Audits maybe in the form of (a) a request to complete a survey or assessment or (b) an onsite audit performed by us or our designated representative. You agree to provide us with notice of any significant changes to users, activity, security or policies relating to the scanDeposit Services. You will notify us of any security incidents or breaches at the physical location of the Scanners or equipment used for the scanDeposit Services.

Security Procedures

You agree to destroy or cause to be destroyed all Scanned Checks no earlier than (10) Business Days after the Image Date and no later than forty-five (45) Business Days after the Image Date. You will use a paper shredder with cross-cut shredding or destruction service to destroy all Scanned Checks.

You will establish and maintain procedures to assure the confidentiality and secrecy of passwords, Scanned Checks, and image Files, and will provide training to employees on the security procedures.

You are solely liable for any transactions that are made using a correct password regardless of whether you, in fact, authorized the transaction. You acknowledge and agree that this liability is based upon the fact that you are solely responsible for ensuring the secrecy of passwords and designating individuals who are authorized to use the scanDeposit Services.

Target Balance means any of the Maximum Target Balance, the Minimum Target Balance, the ZBA Maximum Target Balance, and the ZBA Minimum Target Balance.

Zero Balance Account (or ZBA Account) is a demand deposit sub-account of the Master Account designated by you in the Authorization Form.

ZBA Maximum Target Balance means the Available Balance for a Zero Balance Account designated on the Authorization Form as the Maximum Balance that you wish to maintain in the specified ZBA Account.

ZBA Minimum Target Balance means the Available Balance for a Zero Balance Account designated on the Authorization Form as the Minimum Balance that you wish to maintain in the specified ZBA Account.

Line of Credit Sweep Service

If you request the Line of Credit Sweep Service (“Line of Credit Sweep Service”) and we agree, you authorize and direct us and we agree to advance available funds on the Line of Credit and transfer those funds to the Master Account to pay checks and other items presented for payment and to maintain the Minimum and Maximum Target Balances, as applicable, in the Master Account.

After the close of each Business Day, at a time determined solely by us, we will determine the Available Balance in the Master Account.

If the Available Balance is not sufficient to cover any checks and other items presented for payment, we will transfer funds in Sweep Increments, first from the Investment Sweep Account, if any, and then from the Line of Credit if the available funds in the Investment Sweep Account are not sufficient to cover the presented items. If the amount of credit available under the Line of Credit is not sufficient to cover an item presented for payment, we may, in our sole discretion, either (i) reject any checks or other debit items drawn on the Master Account or (ii) accept any checks or other debit items drawn on the Master Account, even if such acceptance would bring the Master Account below the Minimum Target Balance. We may decide in its sole discretion which checks or other debit items to accept or reject and the order in which to accept or reject any such debit items. Any debit items we dishonor and any overdrafts are subject to our standard fees for non-sufficient funds (NSF) and other charges.

If the Available Balance, after debiting any items presented for payment, is greater than the Maximum Target Balance, we will debit the Master Account in Sweep Increments for the amount of any unpaid principal under the Line of Credit, up to the amount of the excess above the Maximum Target Balance, and apply the amount of the debit to the unpaid principal balance of the Line of Credit. If the Available Balance, after debiting any items presented for payment, is less than the Minimum Target Balance, we will transfer funds from the Line of Credit in Sweep Increments, to bring the balance of the Master Account to the Minimum Target Balance.

If you have also requested the Investment Sweep Service, and the Available Balance is above the Maximum Target Balance after debiting any items presented for payment, we will process debits and transfers in the following order and according to the following terms: (i) debit the Master Account in Sweep Increments for the amount of any unpaid principal under the Line of Credit, up to the amount of the excess above the Maximum Target Balance, and apply the amount of the debit to the unpaid principal balance of the Line of Credit, (ii) if there is no unpaid principal balance under the Line of Credit or, the Available Balance remains above the Maximum Target Balance after debiting the amount of the unpaid principal under the Line of Credit, we will transfer in Sweep Increments the remaining amount above the Maximum Target Balance to the Investment Sweep Account.

If you have also requested the Investment Sweep Service, and the Available Balance is below the Minimum Target Balance after debiting any items presented for payment, we will process debits and transfers in the following order and according to the following terms: (i) debit the Investment Account in Sweep Increments and transfer the funds to the Master Account to bring the Available Balance of the Master Account to the Minimum Target Balance; and, (ii) if the Available Balance remains below the Minimum Target Balance after transferring funds from the Investment Account, we will transfer from the Line of Credit in Sweep Increments the remaining amount below the Minimum Target Balance to the Master Account.

We will not debit the Master Account for any accrued interest under the Line of Credit in connection with the Line of Credit Sweep Service, but this will not affect our right to set off against any account, including the Master Account, any amount due us under the Line of Credit and we expressly reserve such right of setoff.

We will not make any advance under the Line of Credit if the Line of Credit has expired, or if you are in default under the Line of Credit or any other debt or obligation owed to us and we reserve the right to suspend or cancel the Line of Credit Sweep Service without prior notice in the event of any such default.

Zero Balance Account (ZBA) Sweep Service

If you have requested the Zero Balance Account Sweep Service (“ZBA Sweep Service”) and we have agreed, you authorize and direct us and we agree after the close of each Business Day, at a time determined solely by us, to determine the Available Balance in the ZBA Accounts and to transfer in Sweep Increments any amount above the Maximum Target Balance Excess to the Master Account. We will also transfer available funds from the Master Account to any ZBA Account to pay debit items presented for payment against the ZBA Account in order to maintain the ZBA Accounts at the ZBA Minimum Target Balance.

You will designate the Master Account and ZBA Accounts in the Authorization Form. You may change the designated Master Account and ZBA Accounts and may add or delete ZBA Accounts by providing us with oral or written notice conforming to our specified security procedures. We will make requested changes within a reasonable time following receipt of such notice.

If the Available Balance in a ZBA Account is less than the ZBA Minimum Target Balance, we will transfer from the Master Account to the ZBA Account in Sweep Increments the amount of funds necessary to restore the balance in the ZBA Account to the ZBA Minimum Target Balance. If the Available Balance in the Master Account is insufficient to restore the balance in a ZBA Account to the ZBA Minimum Target Balance, a lesser amount may be transferred in our sole discretion. In no event will the amount transferred exceed the remaining Available Balance in the Master Account.

You will maintain sufficient available funds in the Master Account to cover the aggregate debits made to the ZBA Accounts and to allow the ZBA Accounts to be left with the ZBA Minimum Target Balance at the end of each Business Day. If there are not sufficient available funds in the Master Account, we may, in its sole discretion, either (i) reject any checks or other debit items drawn on any ZBA Account or (ii) accept any checks or other debit items drawn on a ZBA Account, even if such acceptance would bring the ZBA Account below the ZBA Minimum Target Balance. We may decide in our sole discretion which checks or other debit items to accept or reject and the order in which to accept or reject any such debit items. If we must reverse a provisional credit and such reversal causes the Master Account to have a negative balance, you agree that we may reverse the transfer of any funds, in whole or in part, between the ZBA Account and Master Account and then reject any items not finally paid. Any debit items we dishonor and any overdrafts are subject to our standard fees for NSF and other charges.

Investment Sweep Service

If you have requested the Investment Sweep Service (“Investment Sweep Service”) and we have agreed, you authorize and direct us and we agree to transfer funds between the Master Account and the Investment Account in order to pay checks and other items presented for payment and to maintain the Minimum and Maximum Target Balances, as applicable, in the Master Account.

After the close of each Business Day, at a time determined solely by us, we will determine the Available Balance in the Master Account.

If, after debiting the Master Account for all items presented for payment the Available Balance is greater than the Maximum Target Balance, we will transfer the amount over the Maximum Target Balance to the Investment Account in Sweep Increments.

If, after debiting the Master Account for all items presented for payment the Available Balance is less than the Minimum Target Balance, we will transfer funds from the Available Balance of the Investment Account to bring the Available Balance in the Master Account to the Minimum Target Balance in Sweep Increments. In no event will the amount transferred from the Investment Account exceed the Available Balance in the Investment Account. If the amount transferred from the Investment Account is not sufficient to cover an item presented for payment, we may, in our sole discretion, either (i) reject any checks or other debit items drawn on the Master Account or (ii) accept any checks or other debit items drawn on the Master Account, even if such acceptance would bring the Master Account below the Minimum Target Balance. We may decide in our sole discretion which checks or other debit items to accept or reject and the order in which to accept or

reject any such debit items. Any debit items we dishonor and any overdrafts are subject to our standard fees for NSF and other charges.

We do not guarantee any particular rate of return on the investments made in the Investment Account.

Target Balances

You may change a Target Balance at any time, subject to our approval, by executing and delivering to us a new Authorization Form. We will have two Business Days following receipt of the new Authorization Form to either notify you that the new Target Balance is not acceptable or to implement the new Target Balance. In our sole discretion, we may change a Target Balance at any time effective upon delivery of written notice (including electronic notice) to you.

Miscellaneous

We may, in our sole discretion, refuse to complete any transfer of funds described in this Agreement if: (i) we, in our sole discretion, or a regulatory agency with supervision over us, determines a transfer is illegal or unsafe or unsound practice; (ii) you have filed for bankruptcy protection; (iii) the funds are subject to hold, setoff, third-party claim, dispute, legal process, or are otherwise unavailable for transfer; (iv) there are insufficient Available Funds to make the transfer; or (v) you are in breach of any agreement with us.

We will not be liable for any losses or expenses incurred by you due to our rejection or acceptance of any items presented for payment, due to insufficient funds in your Master Account, or our failure to transfer funds between any of the accounts described in this Agreement.

VI. GENERAL TERMS

These terms apply to all Treasury Services.

Fees

You agree to pay all account fees and charges for Treasury Services in accordance with the *Fee Schedules*. We reserve the right to change fees for any Treasury Service. Liability Provisions; No Warranties

Your Liability

You agree that we are entitled to rely on and deem the use of your User Passwords to gain access to Treasury Prime and Treasury Express as your authorization for every transaction involving any Eligible Account until you have notified us of any possible unauthorized use or transactions. Neither we nor our service providers or affiliates will have any liability to you for any unauthorized payment or transfer made using your User Passwords that occurs before you have notified us of possible unauthorized use and we have had a reasonable opportunity to act on that notice. Authorization of transfer requests and payment requests through Treasury Prime and Treasury Express by means of your User Passwords shall be considered the same as your signed authorization and instruction for us to perform any and all actions relating to the requested transaction. You agree to be bound by any transaction on any of your Eligible Accounts using Treasury Prime or Treasury Express that is initiated by means of your User Passwords and accepted by us in accordance with the security procedure outlined in this Agreement or disclosed to you online, regardless of whether or not you actually authorized the transaction. You

agree not to attempt to use Treasury Prime or Treasury Express to make a transfer if you have reason to believe the service is not functioning properly.

System Unavailability and Force Majeure

Treasury Prime and Treasury Express may be unavailable when systems require maintenance or upgrades or major unforeseen events occur, such as earthquakes, fires, floods, computer failures, interruptions in telephone service, electrical outages, civil unrest or riots, war or acts or threatened acts of terrorism or other circumstances beyond our control. In the event you or we fail to perform our obligations under this Agreement as a consequence of such an event, such failure shall not be considered a breach of this Agreement and the disabled party will use its best efforts to meet its obligations under this Agreement.

Limitations on Our Liability

Notwithstanding any other provision in this Agreement, and to the fullest extent permitted by applicable law, neither we, our service providers nor any of our affiliates will be liable, and you release and waive any and all claims against all of them, for any and all losses, damages or costs incurred by you or by any other person, arising from or relating to any of our acts or omissions, or those of our service providers or affiliates, whether under this Agreement or otherwise, in connection with the Treasury Services or any Eligible Account (including, but not limited to, improper calculation or processing; transfer of funds or failure to transfer; dishonor or failure to dishonor; payment, stop payment, or failure to pay or stop payment; processing of electronic transfer entries; or loss or delay of electronic transfer entries, items, instruments, input data and materials during transfer to or from us) unless you prove that such losses, damages or costs resulted solely from our bad faith or gross negligence or from breach of this Agreement; provided, however, to the fullest extent permitted by applicable law, neither we, our service providers nor any of our affiliates will be liable to you or any other person for any of the following:

- For any failure to make a transfer or payment when your Eligible Account is frozen or funds are otherwise unavailable under the terms of your Business Account Agreement;
- For any losses, damages or costs, relating to or in any way arising out of the use of the Treasury Services or the installation, use, or maintenance of your Computer or Software;
- For any losses, damages or costs arising from or relating to your failure to maintain the confidentiality and security of your User Passwords, or any other information that enables any other person to gain access to your Eligible Accounts or Treasury Prime; and
- For any losses, damages or costs arising from or relating to your failure to receive notices and other communications we sent to your current address or email address shown on our records, regardless of whether the address on that communication included any designation for delivery to the attention of any particular individual.
- Your sole remedy under this Agreement for any errors we made in completing any transfer or bill payment you have authorized through Treasury Prime in accordance with this Agreement, the applicable Account Agreements, and applicable law shall be limited as follows:
 - If the payment or transfer is not made or is delayed, or if a payment or transfer is made in an erroneous amount that is less than the amount authorized by your instructions, unless otherwise required by law, our liability, and the liability of our service providers and affiliates will be limited to correcting the transfer or payment.
 - If the payment or transfer is made in an erroneous amount that exceeds the amount provided in your instructions, or we permit an unauthorized payment or transfer after you have provided notice and we have had a reasonable time to act on your notice, unless otherwise required by law, our liability, and the liability of our service providers and affiliates will be limited to a refund of the amount erroneously paid or transferred.

The limitations on our liability, and the liability of our service providers and affiliates provided in this Agreement are in addition to, and shall not diminish, any limitations on liability contained in any applicable Account Agreement or any other agreement between you and us.

We agree to make reasonable efforts to ensure the full performance of Treasury Prime and Treasury Express. We will be responsible for acting only on those instructions that are actually received and cannot assume responsibility for malfunctions in communications facilities not under our control that may affect the accuracy or timeliness of messages you send. We are not responsible for any losses or delays in transmission of instructions arising out of the use of any Internet service provider, your connection to the Internet, your Computer, your Mobile Device, or caused by any browser software.

We are not responsible for any indirect, special, incidental or consequential damages arising in any way out of your use of the Treasury Services. In states that do not allow the exclusion or limitation of liability for indirect, special, incidental or consequential damages, our liability is limited to the maximum extent permitted by applicable law.

WE MAKE NO EXPRESS OR IMPLIED WARRANTIES CONCERNING THE TREASURY SERVICES, TREASURY PRIME, OR TREASURY EXPRESS, INCLUDING BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY OR, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF A THIRD PARTY'S PROPRIETARY RIGHTS, OR COMPLIANCE WITH REGULATION E OR ANY OTHER APPLICABLE RULES OR REGULATIONS, UNLESS DISCLAIMING SUCH WARRANTIES IS PROHIBITED BY APPLICABLE LAW.

Except to the extent that we are liable under the terms of this Agreement or another agreement governing the applicable Eligible Account or Treasury Service, you agree to indemnify, defend, and hold us, our affiliates, officers, directors, employees, consultants, agents, service providers, and licensors harmless from any and all third-party claims, liability, damages, and/or costs (including but not limited to reasonable attorney's fees) arising from:

- a third-party claim, action, or allegation of infringement, misuse, or misappropriation based on information, data, files, or other materials submitted by you to us;
- any fraud, manipulation, or other breach of this Agreement;
- your violation of any law or rights of a third party; or
- your use of Treasury Services.

We reserve the right, at our own expense, to assume the exclusive defense and control of any matter otherwise subject to indemnification by you, in which event you will cooperate with us in asserting any available defenses. You will not settle any action or claims on our behalf without our prior written consent. This indemnification is provided without regard to whether our claim for indemnification is due to your use of Treasury Services or the use by your authorized representative or delegate.
